Anushka Podder

Analyst / Software Engineer

Base Location : Bangalore

Email ID : anushka.podder@capgemini.com

Mobile No : +91 8770654801

Grade : A4

EMP ID : 46290506

Education and certificates

Bachelor of Engineering in Computer Science and Engineering : 2018 – 2022

Skills

Java	Basics, OOPS, Exception Handling, Collections, Java 8 Features
Framework	Spring MVC, Spring JDBC, Spring Boot
Database	MongoDB
UI Technology	ReactJS, HTML 5, CSS, JavaScript
Testing	JUnit
Tools	GitHub, Postman, Eclipse, Visual Studio code
Additional Skills	Team player with good communication skills, Self Learner, Problem solving, Adaptability

Strengths

Full Stack Developer

➢ Hands on experience in **Microservices** with **Spring boot**, **Core Java**, **MongoDB**, **JUnit**, **Postman**, **HTML5**, **CSS**, **JavaScript**, **React JS**.

➢ Proficient in creating Single page Web Application using **ReactJS** with routing.

➢ Ready to learn new technologies and implement them to further improve my knowledge.

➢ Eager to work in a team of dedicated people and serve a key role in the enhancement and development of the project.

Achievement

ONLINE FLIGHT BOOKING :

Case study of Flight Booking System using Core Java, Spring Boot in the backend, MongoDB as database and JavaScript, CSS and ReactJS used as User Interface.

Using this web application, customers can register, login and book flight between different places. The admin can add/update the flight details and can see the list of all bookings. It also contains the payment gateway for completing the booking of the flight.
